Payments: <http://bit.ly/give-to-wbuuc>

WBUUC is accepting online payments with an improved system. Payments you have set up in the previous system will not continue past June 2021. You can setup recurring payments or one-time donations. Set your account up today!

Strong is What We Make Each Other

An average pledge of \$2000 per household allows WBUUC to run our operations, pay our staff, maintain on-line programs and plan now for re-opening. Some must give less than this; others can give more. When all of us contribute at the level that's right for us, we will meet our goal!

Communication Preferences Check-In

At WBUUC, we've recently updated to a new database system so we want to make sure your information is correct.

If everything is correct, you don't have to do anything!

If you need to update your information, indicate your changes below and return this sheet to WBUUC. You can also email office@wbuuc.org to inform us of your changes. THANK YOU!

My information has changed.
