...A GIFT 100% participation, not equal gifts, we ask that you pledge a gift that works for you.

## What are pledges used for?

Pledges guide our Board to plan the operating budget for the upcoming church year and pledges will ultimately fund this budget. The operating budget includes paying our staff, the care of our building/grounds, resources for programming, committees and groups and much more – (Psst...It's how we keep the lights on!)

## What is this year's ask?

We hope that WBUUC members and friends who are able will consider raising their pledges by 5% or 10%. A solid financial foundation will propel us into the next, exciting chapter for WBUUC!
